### DAY 1: JUNE 4, 2018

Wow, what a great first day we've had so far! After an early start we climbed aboard the bus ("Jerry") and headed to Québec City. Along the way we picked up Cam - our tour guide! He's going to show us around for the next few days. After a lunch stop at an on route and a few bathroom breaks we finally made it into the city. We got to the hotel and unpacked our bus, then checked into our rooms and got a chance to unpack. After that we headed out to dinner at Chiq Shack for some yummy dinner! The rain was coming down pretty hard so we ran back to the hotel and got a chance to unwind after seeing a quick glimpse of Old Québec. Tomorrow we get a chance to really explore it!

### DAY 2: JUNE 5, 2018

Wow today was a blast!!!! Upper and lower town, CHECK! We started off the day with some delicious breakfast and learned about the war of 1812. On the plains of Abraham, we reenacted the battle and fought for our lives! After a stroll along the Dufferin terrace, past the Chateau Frontenac, the group got the chance to discover upper town shops and restaurants for lunch. After lunch we headed down to lower town to explore the exquisite culture that Québec city has to offer. The afternoon was filled with a fun scavenger hunt and wonderful street music. Next stop! Montmorency falls!! This beautiful hike along and across the falls lead us till dinner time, and more importantly theatre time! Let's just say the group was entertained and laughing all night long! We had such an exciting day...who knows what tomorrow will bring !!
