

Take an Educational Tour with Us

Dear Parents and Guardians,

It's my pleasure to announce that I will be leading an educational tour for the school! This will be a chance of a lifetime to travel and see all of

The opportunity to leave home and learn about the world first-hand is the most important gift given. Your child will stand out on their college or university application, grow as an individual, and be immersed in a culture that they have learned so much about!

We will be travelling with Explorica by WorldStrides Educational Travel. I have chosen to travel with Explorica because of their exceptional safety record, and their supportive service.

I'll be hosting a meeting to go over my trip's details, and the benefits of taking an educational tour with Explorica. Please take some time to discuss this fantastic opportunity with your son or daughter, and come prepared to fill out some information if you'd like to take part in this trip.

I HOPE TO SEE YOU THERE!
